Subject: Verification for: Advising for Spring 2023

Hello all,

I hope this email finds you well. It is time to schedule your advising appointment to register for the Spring 2023 semester. You may sign up for a 30 minute block of time at this webpage: <https://appt.link/jeremy-logscons-meetings-hubpvsj/30-minute-meeting-clone-3yXc2JmZef-clone-DTudHlxjpM-clone-3khccGa06r>

I am happy to meet with you face-to-face in my office in Gary Ransdell Hall (now downstairs in the Student Success Center), via Zoom, or even via email if your advising is very simple (such as you only need to be approved to take student teaching in the spring and your grade is above a 2.75).

I'll reach out to you after you have signed up for an advising slot and check on your meeting preference (F2F, Zoom, etc).

Let me know if you have any questions!

This is just a quick reminder that Winter 2023 registration opens on Monday, October 10th. I am happy to work with you on any class you may want to take over Winter term, but you do not need to meet with me for that. The earliest date for Spring 2023 registration is October 17th for seniors with a last name starting with A-F. You do have to meet with me to have your hold listed for spring registration.

Thanks,

Dr. Logsdon
