Dear Dr. Logsdon,

Thank you so much for taking the time out of your summer to teach not only me, but also the rest of the class. I really needed this program, and I am so thankful that you had the patience to deal with all of us and our actions. It means the world to me that because of you and Ms. Thomason, I am able to continue my journey here as a hilltopper at WKU! I am incredibly grateful for this opportunity, and I will forever remember this experience. I hope you have a fantastic fall semester and a wonderful school year.

Sincerely,
Tabby Kirtley
