COVID Information

All students are strongly encouraged to get the COVID-19 vaccine. Out of respect for the health and safety of the WKU community and in adherence with CDC guidelines and practices of all public universities and colleges in Kentucky, the University requires that a cloth face covering (reusable or disposable) that covers both the nose and mouth must be worn at all times when in public areas within all buildings. Students must properly wear face coverings while in class regardless of the room size or the nature of the classroom activities. Students who fail to wear a face covering as required will be in violation of the WKU Student Code of Conduct and will be asked to comply or will face disciplinary action, including possible dismissal from the University. Accommodations can be requested in special cases through the Student Accessibility and Resource Center (SARC): 270-745-5004 (voice), 270-745-3030 (TTY), or 270-288-0597 (video).

All students must immediately report a positive Covid-19 test result or close contact with a person who has tested positive to the Covid-19 Assistance Line at 270-745-2019. The assistance line is available to answer questions regarding any Covid-19 related issue. This guidance is subject to change based on requirements set forth by public health agencies or the office of the governor. Please refer to the Healthy on the Hill website for the most current information. www.wku.edu/healthyonthehill

Class Time Management:

Management of your personal “class time” is one of the most difficult issues for students in an online class. Most face-to-face classes meet three hours a week and students are expected to spend up to six hours per week in class preparation and assignments. Therefore, you can expect to spend up to nine hours per week on any university course whether face-to-face or online. (Travel time has been a major consideration for many of you in face-to-face classes.) It is not advisable to procrastinate not only because of the time involved but the technical issues you may face and the time required to teach your lesson.

Emails to Instructor:

* Students MUST have access to and be familiar with Blackboard to participate in this course.

* Students must utilize the WKU email account provided by the university to receive communication from the instructor. You may email me from any email account you wish, but I will primarily email you at your Toppermail address. You can forward your Toppermail address to any email address you wish as well.

* Students must make certain their technology is compatible with the WKU technology and working during all requirements of this online class. In addition, students must take personal responsibility for submitting assignments by the dates due.

* If leaving a phone message, student should include a return phone number, name, and the course number. The instructor should return your call within 24 hours. If not, please email the instructor, as she could be away from her office.

* Students should NOT wait until the final day (or hours) to take an exam or submit an assignment in case a technical problem occurs. Upon discovery of a problem, the student should contact the WKU Help Desk at <http://www.wku.edu/infotech/> or 270.745.7000 to ascertain if the problem is with WKU technology or the student’s. Further, the student should email the instructor during the time of the test or assignment to inform the instructor of the actions being taken. Remember, the instructor has no control of the technology used to deliver a class via the WKU servers and Blackboard. Students should keep a copy of all electronic communications with the WKU Help Desk so this may be relayed to the instructor if necessary.

*Please do not expect the instructor to address your technology problems or send assignments by email.

Participation and Communication:

1. Please email or call the professor to visit about the course. If you get no response in 48 hours, please try again. With the large volume of emails we receive, it is easy to overlook an email or read it and forget to respond.
2. Teachers should access this class weekly as assignments are due each week of the class. Because teachers in this class are graduate students, it is expected that they are capable of working ahead if they know they are going to be busy and unable to do classwork. *Please contact the instructor if you are struggling with keeping up on assignments.

Student Disability Services:

In compliance with University policy, students with disabilities who require academic and/or auxiliary accommodations for this course must contact the Student Accessibility Resource Center located in Downing Student Union, 1074. SARC can be reached by phone number at 270-745-5004 [270-745-3030 TTY] or via email at sarc.connect@wku.edu. Please do not request accommodations directly from the professor or instructor without a faculty notification letter (FNL) from The Student Accessibility Resource Center.

Statement of Diversity:

Western Kentucky University is committed to empowering its campus community to embrace diversity by building equitable and inclusive learning, working, and living environments. At the heart of our mission, we seek to provide holistic education and employment experiences that prepare students, faculty, and staff to become effective scholars, contributors, and leaders in our diverse and evolving communities. To that end, this classroom is an inclusive space where all participants are welcomed and treated with respect, dignity, and acceptance. Immoral, illegal, or unethical behavior and/or communication will not be tolerated.

While the majority of students are comfortable with the pronoun sets “he/him” or “she/her,” there is a growing population who prefer “they/them” pronouns, or another pronoun sets like ze/zir, per/pers, ey/em, or xe/xem, to avoid binary gender association. Participants in this course may choose to go by the pronoun sets with which they identify and are most comfortable. In addition to pronouns, all students have the right to indicate their preferred first name on TOPNET; this will appear on class rosters. If you did

not specify your preferred name on TOPNET, please let me know what name and pronouns I should use for you. Student's chosen names and pronouns will be respected at all times in the classroom.

Plagiarism:

To represent written work taken from another source as one's own is plagiarism. Plagiarism is a serious offense. The academic work of a student must be his/her own. One must give any author credit for source material borrowed from him/her. To lift content directly from a source without giving credit is a flagrant act. To present a borrowed passage without reference to the source after having changed a few words is also plagiarism. Students who commit plagiarism or any other act of academic dishonesty will receive a failing grade for the course and may be subject to dismissal from the program. Student work may be subject to review and checks using plagiarism detection software. For more information about the [Process for Academic Dishonesty](#)

Sexual Misconduct/Assault Policy:

Western Kentucky University (WKU) is committed to supporting faculty, staff and students by upholding WKU's Title IX Sexual Misconduct/Assault Policy (#0.2070) at <https://wku.edu/eoo/documents/titleix/wkutitleixpolicyandgrievanceprocedure.pdf> and

Discrimination and Harassment Policy (#0.2040) at https://wku.edu/policies/hr_policies/2040_discrimination_harassment_policy.pdf.

Under these policies, discrimination, harassment and/or sexual misconduct based on sex/gender are prohibited. If you experience an incident of sex/gender-based discrimination, harassment and/or sexual misconduct, you are encouraged to report it to the Title IX Coordinator, Andrea Anderson, 270-745-5398 or Title IX Investigators, Michael Crowe, 270-745-5429 or Joshua Hayes, 270-745-5121.

*Please note that while you may report an incident of sex/gender based discrimination, harassment and/or sexual misconduct to a faculty member, WKU faculty are "Responsible Employees" of the University and **MUST** report what you share to WKU's Title IX Coordinator or Title IX Investigator. If you would like to speak with someone who may be able to afford you confidentiality, you may contact WKU's Counseling and Testing Center at 270-745-3159.*
