Hi Jeremy,

Thanks for reaching out about this and for promoting it to your students. I hope you had a good holiday break and that the new year is starting out well for you.

I would suggest making sure they have this website. It has a wealth of information on it.
<https://www.dodea.edu/index.cfm> They might also like to follow the DoDEA on social media, as they post some good content from time to time. Their accounts are in the top left of that site.

I'll see if I can find the presentation that Tonya used to give, as I know I think she also had some helpful videos that can be shared about the opportunities.

Keep me posted and feel free to reach out anytime, or pass my contact info along to your students.

Thanks again!

Sincerely,
Kent

Kent,

I talked about DoDEA a bit with my EDU 250 students this past fall, and one is interested in this. Do you have any info or a resource I could point students toward?

Hope you had a great holiday! This is super low priority, by the way. It can 100% keep until January.

Thanks,
Jeremy

Hello Professor Logsdon,

I am super interested in working as a teacher on a military base. Is there anyone you could help me get in contact with in order to get more information on this?

Thanks,

Kylie Kays
