Hi Dr. Logsdon,

We talked it over and the 16th at 10:05am would work best if that still works for you!

I was also wondering if I could use you as a reference for some job applications?

Thank you,
Franny Hoffman

I unfortunately already have something on my calendar at both of those times next Thursday and Friday. I could do Monday or Tuesday of next week. Otherwise, we would need to push back to the 16th, 17th, or 18th.

Hi Dr. Logsdon!

Would next Thursday or Friday at 10:05am work for my next observation?

That is no problem at all. Just let me know when you are feeling better.

Subject: Observation 11/2

Hi Dr. Logsdon,

This is Franny Hoffman! We were supposed to have my observation tomorrow, but I was not feeling well and had to stay home today. I think we may need to reschedule. I'm hoping I will feel better tomorrow, but if not, I plan to stay home and go to the doctor. I'm so sorry for the inconvenience.

Thank you,
Franny Hoffman
