Great!

I will forward on to Melissa and Catherine and see if they want to lock in these dates and times.

Jeremy, will you pass this along to the new hires (when they come on board) to see if they want these dates and times?

Thanks again,
Christy

Christy and Jessie,

This schedule absolutely works for me! The TBAs are all likely to be new instructors, so there shouldn't be an issue there. I can't speak for Poteet or Rudloff, but I know they enjoyed it last year!

Thanks,
Jeremy

Jeremy and Jessica,

My summer going well—although passing too quickly, however, that might just be my old age! I hope both your summers are going great!

Jeremy, I am not going to be in the week you bring your Summer Scholars, but I've instructed the front desk and the docents to give you the VIP treatment!

I would love to do Frontier School again this fall. I am looking at the week of October 9-12, 2023.

See table below and tell me what you both think.

Date	Time	Instructor	Section	Students
Mon, Oct 9	3:25-4:45	Poteet	009	35
Tues, Oct 10	12:45-2:05	TBA	004	35
Wed, Oct 11	3:25-4:45	Rudloff	003	35
Thurs, Oct 12	8:00-9:00	TBA	006	35
Thurs, Oct 12	12:45-2:05	Hussung	005	40
Thurs, Oct 12	5:00-6:20	TBA	002	35

Back in 2022, we ran this the week of October 3-6 , however, this year WKU fall break is Monday, Oct 3 and Tuesday, Oct 4 --plus we have some other stuff already scheduled for the remaining of that week.

If ya'll are cool with above, then I will forward on to Melissa and Catherine.

Thanks!
Christy

Christy,

I hope your summer is going well! I know I'll see you in a few weeks for Summer Scholars, but we are looking ahead to the fall semester. Jessie Hussung (CC'd on this email) is teaching the LLC-themed section of EDU 250 this semester. Is the frontier classroom something we can do again this fall, and if we can, could we get that on the schedule?

Thanks,
Jeremy

We had a great trip, but we are also very excited to get home! We enjoyed several cheesesteaks, including one that was loaded with peppers, onions, and mushrooms and it was delicious!

I just added you as an instructor to my EDU 250 from last fall. Please let me know if there is anything in there that needs clarification!

That would be great, thank you, Jeremy! Have a great time in Philly. ISTE always sounds like so much creative fun. I hope you get to enjoy a cheesesteak with peppers and mushrooms (might be my favorite food). I will talk with Erin as well.

Thanks,
Sally

I am actually out next week at ISTE in Philadelphia. However, Jessie and I have already started talking about EDU 250. If you'd like, I can add you to my Blackboard site from last fall to see what I did then.

I would also encourage you to reach out to Erin Margarella. She has a ton of resources put together.

Jeremy, this sounds great. I've got a sick kid this week, but plan to be in the office next week to wrap my head around 250. I appreciate any tips you have for 250 (I'm just happy not to have all the 489 grading)!

Thanks so much!

Kim and Sally,

I just saw that you were assigned EDU 250 for the fall! Last year, we did a frontier classroom set up by the Kentucky Museum. I found it worked really well with the chapter on the History of Education, and I am more than happy to share what I did that week in addition to the frontier classroom to cover the chapter, if you are interested. I really encourage you to take advantage of this. Would the date listed (at the very bottom of this email) work for you to take your class on this day if you are interested? If so, let me know and I'll relay to Christy Splurlock.

Thanks,
Jeremy
