Hello Dr. Logsdon,

Thank you for reaching out. I am excited to work with you once more! Mrs. Stephens and I spoke via email a few weeks ago!

Best,

Henri,

I was so pleased when I saw my student teachers for the spring that you were on my list! I always enjoy when I get to bookend students from EDU 250 and student teaching.

I am just writing to introduce myself, even though I have already worked with both of you. Have the two of you met? I'll reach out again at the new year to touch base and schedule our first observation, but since I've been in Ms. Stephens' class with student teachers before, I don't feel we necessarily all need to meet beforehand unless anyone would like to (in which case, I am happy to arrange!).

Please let me know if you have any question whatsoever as this process moves forward! I am here to assist the both of you in whatever way I can.

Thanks,  
Dr. Logsdon
