Hey Jeremy,

Thanks for contacting me to set up a library workshop for our IPAS students. I have you reserved for October 16th from 1:50-3:10 in the Commons at Helm Library room 3001. And no problem with the lesson plan, I decided to keep the summer scholars lesson plan for this fall.

If there is anything else you need, please let me know.

Have a great day,

Tony,

Could we do a similar library visit and activity to what you did this past summer with the Summer Scholars IDST 199 with my current class of LTCY 199 IPAS students? There are ten of them – good group of kids. If you’ve done anything with Dawn’s ENG 100 in IPAS, it’s basically the same group.

They’ll need to do a bit of research in their E&A writing this semester.

I’m very flexible in my schedule. I teach M/W 1:50 to 3:10. Right now, I’m looking at something around October 16th, but I can absolutely change that to fit whatever you can do for us.

Thanks,
Jeremy
