Yes, that shift works fine with us.

Mr. White and McKenna,

I am so sorry to email this late, but can we make a very slight shift in our meeting in the morning. When I sent you the link, my calendar was open, but I am on a search committee and was tasked with being in a meeting tomorrow morning from 9 to 9:30. I know we're on for 9:15 to 9:45. Could we push our meeting back to around 9:30 instead? I don't even think it would take us more than 15 minutes; I honestly just want us to all touch base and make plans for the fall.

Please let me know if this works for you!

Thanks,

Dr. Logsdon
