Hi Dr. Logsdon,

I am in BG this summer! I will be leaving the country tomorrow, but I will be back on July 1st, so no rush on arranging something for me. Thank you for these links! They are super helpful!

I hope you have fun at your conferences!

Morgan,

I don't have any study materials I can send right now, but I do have two practice Praxis tests you can take!

5039 - <https://forms.gle/dUXZidHmHV2yyTWM6>

5624 - <https://forms.gle/zmDokBhtL5An7sxR7>

I'm currently on the road for two different conferences, and I will not be back in the office until July 3rd. Are you in BG this summer? I might be able to arrange for one of my colleagues to get you a copy of the books you could borrow this summer.

Let me know!

Thanks,
Dr. Logsdon

Hi Dr. Logsdon,

When I was being admitted into the program, you helped me with some prep materials for my Praxis exam. I am taking two more in July (5039 and 5624), and am wondering if you have any prep materials for these as well. I am trying to avoid paying for study books. All of your help is greatly appreciated!

Best,

Morgan,

I remember you very well! I'm so glad to hear you had a good time in LITE 535, and I'm excited to be your university supervisor (and you are actually how I found out – I hadn't been notified yet!).

I'll email you and your mentor teacher soon (in the next few weeks) to set up an initial meeting with all three of us. Please don't hesitate to reach out to me if you have any questions before then!

Hi Dr. Logsdon!

I will be student teaching as the final step in the MAT program in the fall of 2024 at Bowling Green high School for Mrs. Tiana Allen! You have been assigned as my University Supervisor!

I don't know if you remember me, but I took your LITE 535 course in SP 23. We also met prior to that at Professional Development Day in January of 2023. Your course was one of the best and most exciting courses so far in the MAT program and I am excited to be working with you again.

I will not introduce myself any further since you already have a lot of information about me from LITE 535, but if there is anything you need from me or have any questions please don't hesitate to reach out!

Hope to hear from you soon!

Morgan
