Subject: Welcome to the LITE Program!

Dear Advisee:

Congratulations! and welcome to the Libraries, Informatics and Technology Education (LITE) Department within the School of Teacher Education at Western Kentucky University. We are pleased that you have chosen LITE and look forward to working with you throughout your academic journey.

If you are receiving this letter, it means that I have been assigned as your program advisor. Please contact me for assistance with your program needs and questions (jeremy.logsdon@wku.edu).

We are excited to have you in our program and look forward to working together.

I know there is a lot of information in here, but I encourage you to save this email for future reference. Please email me if you would like to set up a time to talk over the phone or via Zoom (or even just over email!) so I can support you in helping you to register for your first semester in the program!

Check out the plan for a 15-month program and let me know your thoughts at <https://sites.google.com/g.wku.edu/wkugraduateprograms/programs/lite> . We can discuss options for your program completion plan. Descriptions of our courses are available at <https://www.wku.edu/lite/mastercours.php>. These resources can help you plan your course schedule toward graduation. I would be glad to discuss our course offerings and planning toward your graduation. Feel free to contact for a consult.

The following link can support your registration.

<https://www.wku.edu/online/registration.php>

LITE 590 1hr application is linked within this webpage <https://www.wku.edu/lite/portfolio.php>.

The academic calendar is linked below.

https://www.wku.edu/registrar/academic_calendars/

Also, contact me as your advisor to request access to your *WKU LITE Program Folder*. This is important and will serve you in each of your LITE program courses.

Our bookstore can provide additional support regarding texts.

<https://wku.bncollege.com/shop/western-kentucky-university/page/find-textbooks>

For financial aid support you would contact WKU's Financial Aid department.

<https://www.wku.edu/financialaid/>

Would you like support to present your work/research? In an effort to help more students access travel support for scholarly activity, CEBS is happy to announce the CEBS Student Conference Travel Fund. This funding mechanism is designed to help students present their work at local, regional, national, and international conferences. The form and policy can be accessed [here](#) and can also be found on the [CEBS Forms page](#). Thanks for all that you do to support our students' scholarly activity!

As an entering program participant, join our Facebook group at LITE@WKU. Feel free to share this with any interested parties.

I look forward to collaborating,
Dr. Logsdon
