**Workshop Description:** Professional Development Day is a partnership with Academic Affairs, Enrollment and Student Experience, and the Division of Strategy, Operations, and Finance to bring professional development to WKU. PD Day seeks to offer education and training for faculty and staff to enhance the experience at WKU. This new and innovative day is in direct response to campus feedback for the need for professional development across all divisions. Additional trainings and sessions will be offered during the spring semester. visit <https://www.wku.edu/pdday/> for more information.
