Hello all,

You are receiving this email if you received an X (incomplete) in EDU 250 in the fall. You're getting this email even if you've been in email communication with me regarding your field situation.

I just wanted to alert you that we are in the sixth week of the semester, and you have until the twelfth week of the semester to complete your 15 field hours. It will be here before we realize it, and I highly encourage you to get this done as soon as possible.

Please reply (if we have not spoken in the last week or so) and let me know where you are at in this process and what I can do to support you.

Thanks,  
Dr. Logsdon
