Hi Dr. Logsdon,

Thank you for your introduction. I am sure we can figure out a time to meet soon (in person or Zoom is fine with me as well.) Also, I will attach the link to the Google Site we will be using. I was not sure whether to add this to the site I made in CEPT I but thought it best to create it as its own site.

Thanks,
Ellie Schueler

Hello,

My name is Dr. Jeremy Logsdon, and I will be Ellie's university supervisor for this fall. I would like the chance to get the chance to meet with the two of you together. I know we have all summer to arrange this, but I'd just like us to all meet together before the school year starts. I'm fine meeting in person or over Zoom.

I look forward to working with you both this fall!

Thanks,

Dr. Logsdon
