Subject: Verification for: Winter Registration Now Open, Spring Coming Next Week!

Hello Awesome Candidates,
I hope you are all doing well.

Winter 2024 is now open and Spring 2024 registration opens next week! Looking forward to “seeing” you in class this winter term - should you need the elective, LITE 550. Please reach out to me if you'd like to discuss or if you'd want assistance with registering. Just as a friendly reminder - this is a two week course, but I will have the course fully opened by December 12th, so you could potentially complete the entire class before it officially starts on January 2nd if you'd like!

I am more than happy to talk with you through email, via zoom, or phone call if you wish to talk about what courses would be best for your this spring. If you will be taking a LITE 590 course this Spring 2024, complete the application at the link below. I will be teaching this class in the Spring of 2024.
