I do remember you and I am happy to be a reference. Let me know if you end up needing a letter, but as you said, in the past it's just a form that I would be emailed and probably need to fill out.

Hi Dr. Logsdon,

This e-mail might be a little out of nowhere, so apologies in advance. I'm a student who had EDU 250 with you in spring of 2022, and I'm currently in the process of filling out the emergency subbing application form for Warren County. For the application, I need three references who can speak to my professional abilities. All it seems to involve is a survey that would be automatically sent to your email.

Would it be alright if I listed your name as one of my references?

Thank you for your time,

Emily Gawarecki
