Subject: Student Teaching Advisor

Hello! I just wanted to send you an email and introduce myself/plan when we can meet. I talked with Dr. Margarella over the weekend and she told me you had tried to contact me. My Topper Mail tends to have issues, so I apologize I wasn't able to get back to you! My phone number is (502) 438-6895 if there's ever communication problems again. Mrs. Calvert told me you planned to meet on Friday, but I will be on campus at WKU for a training. I wasn't sure if you needed me there or not, but if so maybe we could move it to Thursday or next week? Let me know and have a great Monday!
