Hello all,

It is almost time for spring registration! While our registration window for spring opens on October 21, we can start planning for registration now.

We can meet via email, in person, or on Zoom to discuss both your spring (And winter, if so desired) schedules. I am taking appointments at this point for anyone who would like to iron out their schedule. Please find a time for me on my calendly: <https://www.calendly.com/drlogsdon> Also indicate whether you wish to meet in-person in my office (GRH 1073B, in the Student Success Center) or on Zoom when you request a time with me.

Conversely, if you wish to talk via email, just send me an email and we'll start talking!

Let me know if you have any questions, and I look forward to working with you as we plan next semester's classes!

Thanks,  
Dr. Logsdon
