That is absolutely fine! No rush at all; even next week is fine. I just want to get us on the calendar.

Hi Dr. Logsdon,

I will talk with Ms. Gary tomorrow to see what day works best for her! I am subbing tomorrow in band but I should be able to speak with her after school if that's okay and I will email you straight away!

Gracie,

I know we are on a tight timeline with you leaving for international student teaching at the end of this month. So that we can get both of our observations in easily, we should probably try to schedule one for next week, if we at all can. What does your availability look like?

Thanks,
Dr. Logsdon
