Hello,

I hope this finds you well. My name is Dr. Jeremy Logsdon, and I will be the university supervisor for this student teaching placement this spring.

I would love it if we could meet at some point over the next few weeks via Zoom just to all of us touch base. This will give me the chance to answer any questions you might have regarding the student teaching process from a WKU perspective.

I look forward to working with you both!

Thanks,

Dr. Logsdon
