Yes, I make all the plans for sword!! It's reading intervention - so I always create fun activities to engage the kiddos to help them with what we're doing in class during ENG !!!

Stephens said that April 18 will work! Just let me know! Thank you!!!!

Kerson,

Is SWORD something that I can observe? Do you typically have lesson plans during that session? If you do, I'm fine observing that, although I cannot do April 19th as I'll be in Nashville at a conference that day. I could do the 18th, however.

Monday will be fine. What about you coming during SWORD from 10:30-11?

And as for my last observation in April, what about April 19th? During SWORD again from 10:30-11?

Let me know. Thanks,

Casey,

I just checked and I see that we need to actually do two more observations. We've only done the first two, by my records. But yes, I would love to get the next one scheduled. Would Monday the 27th be too soon?

Thanks,
Jeremy

Good morning!

Do we need to schedule Kerston's last observation?
