Rheanna,

I have it on my calendar and I am planning to show up! I do have an eye doctor appointment at 8:15, and I can't imagine I wouldn't be on campus by 11:10, but that would be the only factor (I can identify right now, anyway) that would keep me from being there.

Thanks,
Jeremy

Subject: LEAD 450 Presentations

Hello, everyone.

My LEAD 450 students have worked hard to create manuals for the Study Abroad office to assist students who travel to Costa Rica, Tanzania, and South Korea. They are presenting on Tuesday to get feedback. They will use that feedback to make final revisions before submitting it to Study Abroad for publication. I have been coordinating with Study Abroad; however, I've learned they have an event that day! They were the original audience.

Dr. Perry has graciously agreed to come see their presentations, but I wanted to see if I could get a few more folks. It's a very small class and should take no more than 30 minutes. Class starts at 11:10. They will start presenting around 11:15 in GRH 2009. Please let me know if you can make it.

If you can't make it, I completely understand. After all, it's the last week of classes.
