I remain impressed at our students who are able to do this, not only in 12 months, but also maintain a 4.0. I am very pleased with your progress, and I am happy to help however I can as you move forward in your career!

Thank you so much! The last year was a whirlwind, but it pushed me to grow in areas outside of my comfort zone. Thanks for your constant help!

Reid,

You are not a bother at all. You will want to reach out to Sarah Fischer at OPES (sarah.fischer@wku.edu) for information on that. I know that WKU is still auditing summer degrees, but she can give you more information on that!

Let me know if you have any other questions or need help!

Dr. Logsdon,

Sorry to bother you. Do you know who I should contact at WKU to fill out the university recommendation portion of by rank change application?
