Greetings Dr. Logsdon,

Thank you for sending this valuable information out. I have completed the general application, and I am working on the "Evelyn Thurman Third District Media Association Scholarship" to turn into the SFA Office by its deadline. I appreciate all of your support in helping me with my academic and career goals!

Sincerely,
Miller Pogue

Hello Awesome Advisees,

Are you going to be in the LITE program during 2024/2025?
If so, check out the following link to scholarship opportunities.
