Hello all,

This email is just a quick check-in email regarding your 5<sup>th</sup> week marks after 5<sup>th</sup> week assessment. If you are receiving this, you had at least one 5<sup>th</sup> week mark that we should probably address.

If you would, please email me back one of two things.

One – just an email conversation we can have about your marks, including any plans you have for address this going forward.

Two – Email me to set up a meeting so we can discuss in depth. If you had more than two marks, I do hope you'll email me so we can talk in person. We need to get on top of any potential issues that could prevent you from doing as well as you'd like this spring.

I look forward to talking to you soon!

Thanks,  
Dr. Logsdon
