Hello all,

This is just a quick request for us to meet regarding your 5th week check-in. As part of the LLC process, we want to meet with you to discuss your week assessment marks. You had either a D/F, excessive absences, or multiple marks which are an issue we need to address.

This is not a punitive meeting and I'm not going to chastise you about anything; we just need to talk about how things can be fixed and what our plan of action. This could be a very useful meeting for you and it shouldn't take more than ten minutes.

Thanks,
