You are so amazing! Thank you so much! The header can be addressed to Lifeskills, and the letter should be made out to Katie Scheuer Hopper.

Thank you so much!

Jaden,

I would be happy to write the letter for you! Can you tell me the address for the header and who I should make the letter out to?

Thanks,
Dr. Logsdon

Subject: Letter of Recommendation

Dr. Logsdon,

I am working this summer at the Lifeskills Behavioral Unit as an Social and Emotional resouce teacher. I was wondering if you would not mind to write a letter of recomendation for me. I worked here last summer, and I have already been rehired, but for HR purposes they need letters of rec. It does not need to be anything long, and I do not need it for a couple more weeks.

Thanks,
Jaden Harp
