Subject: Verification for: New Advisor Welcome Message

Hello all,

My name is Dr. Logsdon, and I have recently been assigned to be your new advisor.

The purpose of this email is just to introduce myself. I realize that some of you receiving this email already know me as I have been one of your professors in the past, while I am brand new to others of you.

Regardless, I am here to help you in any way that I can as you finish your degree here at WKU. I'll contact you again closer to advising/registration season so that we may schedule a time to discuss your particular advising situation. That said, if you need me prior to then, please don't hesitate to email!

Thanks,

Dr. Logsdon
