Issa,

Thank you so much for your kind words! I was so pleased to have you in class. You had wonderful insights and comments on our readings all semester, and I am so pleased to hear you have had a strong finish to your term!

Next spring, I believe I will be teaching ENG 200 for IPAS, and although you will no longer be an IPAS student at that time, we're going to open it for former IPAS students as well. I'd love to see you in it!

Please let me know if I can ever help you with anything, including serving as a reference for a job or scholarship or anything else.

Thanks,
Dr. Logsdon

New announcement from Jeremy Logsdon

Everything is graded

Hey folks,

Everything that has been submitted has been graded. I have entered your cell phone extra credit. You can go on to Blackboard and look at your total points to determine your grade.

To determine what your grade is at this moment, refer to this grading scale:

895 and up = A

795 to 894 = B

695 to 794 = C

595 to 695 = D

594 and below = F

Remember that your final exam is optional, extra credit up to 50 points, and cannot hurt your grade. It can only help your grade. Some of you already have an A and do not need to take it. Your final exam is at 10:30 a.m. on Monday morning. Please contact me if you have any questions or concerns about the final or if you should take it.

Thank you all for a great semester. I have enjoyed exploring some literacy with you, and I hope you have enjoyed the class. I wish you the best in all that you do going forward. If I can ever be of help to you here at WKU, please do not hesitate to ask!

Thanks,

Dr. Logsdon
