Happy Tuesday!

LLC Nominations have closed & I'd love your help selecting the winners. There were very few nominations (which will hopefully make it easy). I'm hoping this task will not take more than 30 minutes. **If you could please complete asap, it will give the Oak Tree team time to get the plaques engraved.**

Please take a few minutes to review the three categories with submissions and share your selections at: https://wku.co1.qualtrics.com/jfe/form/SV_6Rwyo8kHZ6TrbzU We will go with the majority.

Please let me know if you have any questions. Would love any feedback as this is a new process!
