Hi Rob (and all),

The Faculty Senate has conducted its election from among the college academic complaint committees to populate the university academic complaint committee from now through August 1. The results are:

Faculty members:
Carl Dick (OCSE)
Ashley Fox (CHHS)

Faculty alternates:

The Senate Charter only requires two alternates be named; however, all four of these candidates received the same number of votes. I put the four names in a list randomizer, and they came out in the order below:

Aquesha Daniels (GFCB)

Jeremy Logsdon (CEBS)

Les Pesterfield (OCSE)

Lance Hahn (OCSE)

Four students also tied with the highest number of votes. I applied the same procedure as above with the following results:

Student member:

Carlos Diaz-Cruz (CHHS)

Student alternates:

Riley Summers (OCSE)

Ellie Copas (OCSE)

Caronline Derryberry (CHHS)

There were 32 ballots cast. One ballot was blank, and two were spoiled.

Have a good day,

Dan
