Celeste,

My letter is attached. Please proofread it and let me know if you see any issues or if there is something you'd like me to mention that I may have failed to do so!

Thanks,
Dr. Logsdon

The applications are due April 18, 2025 - so, by that date I believe.

Thank you so much!! I truly appreciate this!

Celeste,

I remember you quite well and I'd be happy to write you a letter! With both your great performance in the class and the fact that we communicated regularly via email, I feel very comfortable writing you a letter of recommendation. I've written letters for this program many times before, and I think you would make a great CEBS ambassador! When do you need it by?

Thanks,

Dr. Logsdon

Subject: Letter of Application - CEBS Ambassador

Good morning,

I hope you are doing well! I was in your online LME 448 course last semester. I really enjoyed your class, learned a lot, and grew as a future educator. I have told my friends countless times about my Lack of Quality Education project, and I've also told the President of Circle of Sisterhood. They all thought it was amazing!

I was wondering if you would be interested, and have the time, to write me a letter of application for the CEBS Ambassador program. The guidelines include that you must be a CEBS faculty or staff member. However, if you think it would be better for me to ask a teacher I had in-person, just let me know!

Thank you so much! I hope you have a good weekend!

Celeste Eby
