Subject: Student Teaching University Supervisor Introduction

Erionna,

I am writing to formally introduce myself to you and your mentor teachers. My name is Dr. Logsdon, and I will be your university supervisor for your student teaching experience. I do not believe I have met Ms. Montague or Ms. Jones yet. Have you all met each other? If we would like to Zoom and have a conversation at some point in the next two months, I am very open to that. Otherwise, I'll reach out to you around the first of the year to set up my first observation of your teaching in Ms. Montague's class.

Please let me know if you have any question whatsoever as this process moves forward! I am here to assist all of you in whatever way I can.

Thanks,
Dr. Logsdon
