I have to be the fly in the ointment for tomorrow's meeting.

I've had two students accepted to the Foundations English Conference, and they will be presenting their work at the time of our meeting.

I am more than willing to pick this work back up later in the term—these are busy times.

I've also attached the document of what we've got so far—I am absolutely fine with the three of you meeting without me. I wouldn't bow out, but I'd like to be there for my students!
