Garrison,

I think you sent me the unpublished link to edit, rather than the published URL.

I'll email you and your mentor teacher next week to set up our first observation. I like to give people a few weeks to get their feet underneath them before my first site visit. I also tend to tell people to have me come observe your "favorite" class for the first observation, so be thinking about that as well!

Dr. Logsdon

Hi Mr. Logsdon,

Attached above I have the link to my student teaching website so that you can look at that whenever you need. Also, whenever you want to come in, my planning period is first block from 7:30 am - 8:54 am. Please let me know if you have any questions or need anything else from me.

Thank you,
