Kaylee is coming to school next week for us to meet. What if we let you know after that if we need to Zoom?

I look forward to working with you again! Have a great long weekend!

Kaylee,

I am writing to formally introduce myself to you and your mentor teacher. My name is Dr. Logsdon, and I will be your university supervisor for your student teaching experience. Ms. Houchins and I have had a student teacher in common before. Have you all met each other? If we would like to Zoom and have a conversation at some point in the next two months, I am very open to that. Otherwise, I'll reach out to you around the first of the year to set up my first observation of your teaching in Ms. Houchins' class.

Please let me know if you have any question whatsoever as this process moves forward! I am here to assist all of you in whatever way I can.

Thanks,

Dr. Logsdon
