That makes me feel so much better, thank you! Truly you're one of my favorite professors!

Becca,

First of all, please do not stress! I am not the type of professor who takes late penalties for errors like this. You're fine.

Secondly, Anthology and Blackboard don't really communicate that well. Blackboard won't show it submitted until I have entered the grade. I just checked Anthology, and it is there, waiting for me to grade it. You're all good!

Subject: LITE 535 Gardner Concern

Good afternoon, Dr. Logsdon,

I am concerned because I was just checking my assignments, and it shows as my IDP did not submit. I worked all last week with this and had it finished by Friday night. I swear I turned it in, but it is showing I did not. I am honestly so worried now. I understand that this could affect my grade. I truly had it completely finished, and swore I turned it in. I am so sorry. It is now submitted, but I feel awful. I swore I had hit submit. I am so sorry. Please let me know what I need to do.]

Thanks!
Becca Gardner
