Thank you for sending that, I actually didn't take many online classes, so that link will be helpful.

You've made the process of returning back to school much smoother than I expected, it has definitely eased some anxiety about the process!

I look forward to having you as a professor.

Thank you again!

I'll point you toward this link, in case you want to play around with it. I'll also send out an email as soon as I've opened my class in July, although you'll have other classes starting in June before mine.

Thank you!

My undergraduate is from Morehead State; I believe Blackboard is the program we used there as well, but I don't fully remember all the exact ins and outs.

That is correct! If you go on Topnet, you can look at your summary student schedule by Term, and this is your current summer schedule.

Thank you so much —everything looks correct according with the 12-month progression you sent earlier!

Just to confirm, am I also registered for LITE 506 and LITE 527 in June, as well as LITE 508 and LITE 518 in July?

I appreciate your help!

Jera,

I wanted to let you know that I have registered you for the 1 hour LITE 590 course this fall. I went ahead and registered you for LITE 501 and LITE 535 as well. Please let me know if this isn't the case and I can drop them very easily.

Let me know if you have any questions!

Thanks,
