Hello,

I just wanted to jump in and say hi. I've spoken with Gabe several times over the summer, and we're planning to meet at school tomorrow to review plans for the first few weeks. This is going to be a fun year, and I look forward to working with you both. Please feel free to reach out if you have any questions or concerns.

Sincerely,

Jennifer Howard

Gabriel,

I hope this finds you well and you are getting ready for the upcoming start of your school year! I have CC'd Ms. Howard on this email to introduce myself to her as well.

Please let me know if there is anything I can do to assist as you begin your school year. I'll reach out around week #3 to set up our first observation, but I am here to help in any way I can before then as well!

Thanks,

Dr. Logsdon

Gabriel,

My name is Dr. Logsdon, and I will be your university supervisor for your student teaching placement this fall! I am emailing to introduce myself. Have you met your mentor teacher yet? If you haven't, I am more than happy to facilitate that introduction as well! Hopefully, we'll find time to meet later this summer before your placement starts.

If you have any questions for me as you begin this process, please don't hesitate to let me know! I look forward to working with you!

Thanks,

Dr. Logsdon
