That should be fine if we have the same types of students to advise. I have a lot of specific questions for specific students and I bet she does, as well. More, the merrier!

Would it be okay with you if I let Erin M. know as well? She is also learning.

If not, I am fine with that too!

Hi Janet,
I'm going to need to sit down with you to think through some of these things. Do you have time next Tuesday, Oct. 28 after 11 or Wednesday or Thursday, Oct. 29/30 between 11 and 4?
Thanks,
Nancy

Hi Nancy,

I am not sure that this was send to you or not?

I finally have figured out an original set of advisee to assign to you. You will be getting these by next week.

They are the following:

Nancy Hulan

801732346 Emily Fintel, Emily
801402324 Allison Franklin, Allison
801765469 Christopher McCarthy, Christopher
801764120 Payton Lynch, Payton
800861133 Tyler Johnson, Tyler

[Here](#) is the document that I have been using to keep track of them. Those that I have some plans are I have highlighted in Yellow and/or added a link to their ID. (I don't think I know any of these students yet.) We will likely need to go over when the different courses are offered in the respective programs as well. Let me know when you have a moment.

Attached is my list of advisees and their details for you to see a little bit about each of the ones you are getting up to now.

Thank you for stepping up to this challenge! You will LOVE what we can do through this MAE!

Best,
Janet
