LITE590-700 (Sp26): PRACTICUM IN LITE

New announcement from Jeremy Logsdon

Two quick notes for this weekend...

Hello all,

We are technically wrapping up week #2, which has been a pretty unconventional week for most of us. I only remember once in my entire career at WKU where we were out for a week straight, which was back in 2016 when we got 16 inches of snow. I hope you have all stayed safe and warm during this winter weather.

The first note - if you have not yet scheduled a one-on-one Zoom with me, please do so asap. This is worth points and is not optional. I want to make sure we have the chance to talk about the course and what it will look like for you, even if you are in hour #2 or #3 and get the gist.

The second note - I recognize that most (if not all) of us have been out all week, and the site confirmation form is technically due this Sunday night. It is 100% fine if you turn it in late! You will not be docked in any way, so do not worry about that at all.

As always, I am here if you need me!

Thanks,

Dr. Logsdon
