
LITE Advising for Spring 2026

From Logsdon, Jeremy <jeremy.logsdon@wku.edu>

Date Mon 9/22/2025 10:49 AM

To Logsdon, Jeremy <jeremy.logsdon@wku.edu>

Hello advisees! It is almost time for winter and spring advising. (If you are one of my advisees graduating this fall, you can ignore this email.)

We do not need to meet for you to register for classes – one of the perks of being a graduate student. When you first entered the program, we likely created a prescriptive path for the classes you should take each semester. Please email me (or we can also set up a time to meet!) if you have any questions about that path, the courses you should take, or if anything in your plan needs to change.

For most of you, if you haven't already taken it, you'll take LITE 550 as your ed tech elective during winter term. Even though this class only runs from January 5 to January 17, we open it early (well before Christmas) so you can work ahead and potentially finish it before you even return to school after winter break. The winter schedule is supposed to open in Topnet today. Winter term registration begins on October 13th. Spring registration begins on October 20th. I am happy to help support you in this in any way that I can!

If you are signing up for any section of LITE 590, you'll need to fill out this Qualtrics form again:

https://wku.co1.qualtrics.com/jfe/form/SV_bx6l5mp6cmZS7s2

As always, I am here to help in whatever way that I can! Let me know if you have any questions!

Thanks,
Dr. Logsdon
