• Love this class and professor! • I thought this class was well-paced and the requirements, while intense, were appropriate in both length and effort. • I loved it • This class was filled with rich content that can easily be applied to my classroom at this time and in the future. I also feel well prepared for a future as a Library Media Specialist. All of my questions were answered very quickly and with explanations that were easy to understand. • The professor left strong feedback on every assignment that helped me grow as a graduate student. Very appreciative of Professor Logsdon and his understanding when personal issues arised.
