- I have thoroughly enjoyed LITE 590. I have learned significantly more than expected and have loved getting to work the the AASL and ISTE standards directly. I appreciate the flexibility that has been offered to students taking this course. - I really enjoy when I have Dr. Logsdon as a professor. He is so helpful and timely in his responses and feedback. - I liked the more open format of this course because it is a practicum and not a traditional class. I appreciated the flexibility it offered. - Information for this class was well organized and easy to understand. I felt that all assignments were applicable to the LITE program and to my own personal classroom as well. Any questions that I had were answered quickly. - The professor is amazing! I liked how the class and the due dates were organized.
