Thank you for your
attendance at ITLC Lilly - San
Diego 2026!

We were proud to welcome more than 250 attendees from well over 100 institutions. This was an extraordinary way to kick off 2026, and we are deeply grateful to our vibrant community. The numbers are impressive, but your scholarship and commitment to improvement are what make the ITLC-Lilly Conferences exceptional. Thank you!

Please Help Us Improve!

Your feedback is important to us and vital for improving future events. We value your thoughts on what we did well and what you hope to see differently in the future. Please visit our 4-question survey to help make ITLC Lilly the most effective event we can for you!

Conference Evaluation

Become a Reviewer!

Would you like to continue your ITLC Lilly experience between events? Our reviewers are a foundational component of ITLC Lilly!

They facilitate and support sharing, discussing, and critiquing ideas that advance student learning. They also foster the professional development of potential speakers.

If you have attended an ITLC Lilly conference and have a passion for supporting your colleagues in their evidence-based research . . . we want you!
