Hello advisees! I hope this finds you well! The time has come for us to begin planning your Spring 2026 schedule.

Grab a spot on my calendar here: [Book time with Logsdon, Jeremy: Advising Appointment Sign-Up](#)

Just to let you know – unless there are extreme extenuating circumstances, I am only doing advising meetings in-person this semester, IF you have a class on campus. If you don't have an on-campus class, we can do Zoom. Again, I recognize there may be exceptions that will warrant the use of Zoom, but that will not be the default. We'll meet in my office in the Student Success Center in GRH, 1073B. If you feel your situation warrants Zoom, please email me!

I'll admit that my calendar times can be tight, so if none of these times fit your schedule, also email me and we can set something else up.

If you are student teaching in the spring, we do not necessarily need to meet. Email me if that is the case. (However, if you are student teaching, I am still very happy to meet, especially if you have questions, need to take something over Winter term, or want to get a jump start on your Master's degree!)

Don't hesitate to email me if you have any questions before we meet.

Thanks,
Dr. Logsdon
