Everything looks good now, with one very easy fix. I just need you to upload your combined PDF to the LITE Org site. Email me as soon as that is done and I'll officially submit the capstone completion form and you'll be finished!

Dr. Logsdon,

Thank you for pointing that out! I didn't notice it before, but I see it now. When I scanned in my signed copy, all the pages must not have scanned. I will get it fixed ASAP.

Thanks,

Shanna Ragle

Shanna,

I think you may have uploaded an incomplete document for your time log. It jumps from 10 inside hours on page 1 to 25 hours on page 2. I'll hold off on grading until this is fixed. Just email me when you've reuploaded!

Incidentally, it also looks like you may have shorted yourself an Inside Hour on October 27th.
